

Does it seem like your life is a whole lot of wild but not so wonderful?

Susan Campbell, author of *A Wild & Wonderful Life* and founder of More Than You Imagine Ministries, loves Jesus and loves the hearts of women. Susan has developed several women's ministry programs during her twenty plus years of serving and hanging out with women. She appreciates their challenges, heartfelt struggles and joys.

Susan's desire to equip women with the tools that help them have a wild & wonderful life led her on the path to becoming an author. In her book, she describes how life is wild for sure: wildly difficult, but also wildly good. No matter what, though, Jesus promises to join you right where you are.
